

## Pre-Application Guidance

Thanks to the generosity of our many donors, Permian Basin Area Foundation is able to offer competitive grant cycles semi-annually to serve our nonprofit organizations serving communities in the Permian Basin and TransPecos regions.

The Foundation's Grants Committee will look for the following information to be addressed in in the Pre-Application Summary.

In the Summary of Request on the Pre-Application, please address the following questions in addition to any other pertinent information you deem necessary.

### Project/Program

- Is this project/program new or existing?
- What community needs will the project/program address?
- How many individuals are or will be directly served by this project/program?
- What counties or community does this project/program serve?
- What strategies will be employed to financially sustain this project/program in the future years?

### Capital Campaign

- What community needs does your program address?
- How many individuals does your organization serve?
- What counties or community does your organization serve?
- What restraints do you have in your current facility?
- What are your organization's growing needs for a new or improved facility?
- Do you have plans for an endowment or other funding strategies to financially sustain this new or improved facility in the future?
